**Margaret Green
Animal Rescue**
Registered Charity No. 252594

www.margaretgreenanimalrescue.org.uk

Dorset : Cats - £7 per day for 1 cat, or £12 for 2 cats sharing a pen
Dogs - £12.50 per day per dog, £23 for 2 dogs sharing a kennel

Devon : Cats - £6.50 per day for 1 cat, or £11 for 2 cats sharing a pen
Dogs - £12 per day for 1 dog, or £22 for 2 dogs sharing a kennel

Your boarding fees will help us rescue other cats and dogs.

To safeguard the health of all our boarders, we reserve the right to refuse admission of any cat/dog showing signs of ill health. All cats/dogs must be fully vaccinated. You must produce an up to date vaccination certificate on arrival.

In the event of your cat/dog becoming ill we will contact either your vet or our own for advice and treatment. Our choice to use our own vet will be based upon availability and distance of a vet to care for your animal. The cost of treatment will be charged to you on the last day of boarding.

All cats/dogs must be treated against fleas and worms before entering the cattery/kennel.

We are unable to accept un-neutered male cats over eight months of age. All dogs need to be fully vaccinated DHLPPi + Kc needs to be given two weeks prior to your dog boarding with us (if not already up to date). Cats need to be fully vaccinated against flu and feline enteritis.

Fees can be paid prior to or on admission. Please note a full day's boarding is charged for the arrival and departure day to allow for disinfection and preparation. Unfortunately we can no longer accept cheques, but do accept credit/debit card or cash.

We provide main brands of cat/dog food included in the fee. For any specialised diets you are required to provide this yourself.

Collection and delivery times vary per site, therefore please contact the relevant site for more details.

Whilst all pets boarded with Margaret Green Animal Rescue will receive every care and attention, they are boarded entirely at your risk and we cannot accept any liability.
